New Business –

Masquerade Ball – to be held this Friday, March 19. Students need to sell tickets. Donations are needed for snacks for the dance – vegetable platters, fruit platters, chips, dips, and other finger food. To drink we would appreciate fruit punch and 7 up. Water would also be appreciated. Parents are needed to help set up, chaperone, and clean up. The dance will be held in the old gym.

Prism Concert – will be held Friday, May 7th. Donations are needed for the silent auction. Friends and families are encouraged to attend, and to bid on silent auction items. If you can donate or help, Vivian Wellman is chairperson for this event.

Advertising and Band Trailer – We are hoping to get local businesses to sponsor the band with ads on our Band Trailer. If you have any suggestions please contact Charlotte Thielen.
